LOMI LOMI

This ancient Hawaiian healing massage is deep and flowing with the rhythm of the ocean. Old patterns in the body are replaced by the Spirit of Aloha. A rhythmical technique, including deep breathing and stretching, combines both gentle and deep pressure kneading to free energy flows by releasing stress and tension in the body and restore balance and harmony.

AROMA LIGHT TOUCH

Gentle hands help you let go and forget about your worries. Drift into a state of peace with an essential oil aroma of your choice.

SWEDISH MASSAGE

A gentle and nurturing massage to improve your energy and stress levels.

REFLEXOLOGY

Gentle pressure is applied to select points to relieve stress, improve circulation and help balance the body leaving you with a feeling of blissful relaxation.

DEEP TISSUE

A deep-pressure massage that more than just relaxes, it also removes deep tension build up.

THERAPEUTIC

A massage uniquely designed to fit your needs. Utilizes a combination of different techniques to address your specific condition targeting pain, knots, tightness and soreness, including joint mobilization, stretches and acupressure points.

SPORTS MASSAGE

Recommended for people with injuries, chronic pain or restricted range of motion.

HEAD, NECK, SHOULDERS AND BACK

Working in those key muscles where we hold most of the tension, including the face muscles. One hour treatment only.

COUPLES MASSAGE

Sexier than a bouquet of flowers, and more fun than a box of chocolates, a couples massage is a relaxing and intimate experience. Couples are massaged in the same room at the same time, by two different therapists. Couples can opt for identical or personalized treatments.

PREGNANCY MASSAGE

Working with two heartbeats as one. A complex body massage, using specific pre-natal techniques to help relax, increase circulation, alleviate tired muscles and reduce water retention.

...Our ancestors knew how to draw power from a beauty ritual. Temple goddesses adorned themselves with the exotic oils of rose, sandalwood, and myrrh. Cleopatra surrounded herself with these ancient essences.

Now you can indulge your own body and senses the same way the goddesses did centuries ago, connecting yourself back to ancient times.

Essence Maker Aromatherapy offers you natural skincare products blended with the oils of the past. Share in Cleopatra's secret.

The secret power of the beauty ritual.
